Subject: FW: CDD-fence at Paleo/quotes

Back up for Heritage Pines fence agenda item.

Hi Chuck

Can you please include this item for the July 10th meeting, approving the second quote. I think the CDD should have a written quote and guarantee for this approval.

Thanks
Bart Cutshall
Heritage Pines CDD

I contacted 4 other contractors directly. Only two actually followed up, came to the site, measured and wrote a quote. I started asking for split rail cedar, but no one seems to carry it, or recommend it. So we went with a simple two rail vinyl with a good warranty. I have the paperwork, summarized below.

For reference purposes, I directed them to compute from the north corner post (at the private property) to the south corner near the sign, and at least one rail length around that corner, but to leave a good 10 foot width opening for mowers. No gate and no decorative features. Color to be tan/sand, not white. They must also remove the existing chain link, posts and gate in this area, rolling and saving the chain link. Quote must be all materials and labor with tax exempt. I looked up both product manufacture companies. The vinyl product they each recommend is basically identical. Same design: 2 rail, 3 to 4 ' height. 5 foot length rail with 5x5 posts capped. Both have limited lifetime warranties.

1. The Home Depot, dealer name: Warren. Phone # 727-389-0243. He is a private contractor that works for Home Depot. Had a private vehicle & no business cards. It's Home Depot product line, and quote is on their letterhead.

   The product is manufactured by Activeyards. Claim is a "solarguard finish".

   Quote is $3270.

   Note that Home Depot did provide a second quote for a "crossbuck" design rather than "2-rail". That quoted total is $4038.

2. A Perfect 10 Fencing, dealer name: Josh did the quote. Office Phone # 352-606-2623, or 727-457-6962. This company is located at

8256 Commercial Way, Weeki Wachee. Website: www.APerfect10Fencing.com, He came in a company truck and uniform.

The product is manufactured by Westech. This company adds a 5-year warranty on labor.

Quote is $1908.

My opinion is that A Perfect10 Fencing is a perfectly acceptable option with a long term solution. Since the funding was already approved at the last CDD meeting, my question is whether you can now issue a contract for this work, or does it need to go back to the CDD for additional action, or just a report?

FIRST ORDER OF BUSINESS **Call to Order/Roll Call**

Mr. Adams called the meeting to order at 2:00 p.m. All Supervisors were present, in person.

SECOND ORDER OF BUSINESS **Public Comments – Agenda Items [3 minutes per person]**

Ms. Deb Tribbey, a resident, asked if there would be any additional cleanup or improvements to the sod or landscaping, as the entrance to Pines Lane Village, on Webster Road, looked untidy. Mr. Ansley would apply garden soil to the lawns. Ms. Tribbey suggested adding language to the Paleo Park Maintenance Contract so that it receives proper attention, as a featured amenity. She presented recommendations of what to include.

- **Acceptance of Resignation of Supervisor Raymond Russell and Appointment of New Chair**

******This item was an addition to the agenda.******

Mr. Adams stated that Mr. Russell submitted his resignation as Board Chair.

On MOTION by Mr. Nelson and seconded by Mr. Walsh, with all in favor, the resignation of Mr. Raymond E. Russell as Board Chair, dated June 1, 2018, was accepted.

Mr. Russell motioned for Mr. Nelson for Chair. The motion died for a lack of second.

Mr. Goulette motioned for Mr. Cutshall for Chair.

On MOTION by Mr. Goulette and seconded by Mr. Walsh, with all in favor, appointing Mr. Bart Cutshall as Chair, was approved.

DRAFT

Mr. Adams stated that Mr. Russell would become an Assistant Secretary. The slate of officers was as follows:

Chair	J. Bart Cutshall
Vice Chair	Jack Nelson
Secretary	Chuck Adams
Treasurer	Craig Wrathell
Assistant Secretary	Raymond Russell
Assistant Secretary	Neil Goulette

THIRD ORDER OF BUSINESS **Presentation of Audited Financial Statements for Fiscal Year Ended September 30, 2017, Prepared by Carr, Riggs & Ingram, LLC**

Mr. Jonathan Hartness, of Carr, Riggs & Ingram (CRI), presented the Audited Financial Statements for Fiscal Year Ended September 30, 2017. The "Independent Auditor's Report", on

Pages 1 and 2, reflected a clean, unmodified opinion. Although there were no adjustments or items of concern, he clarified the following significant disclosure:

- The "Balance Sheet – Governmental Funds", on Page 11, reflect "Accounts payable and accrued expenditures", in the amount of $332,378, which includes a "Capital outlay" of $316,500 from the "Statement of Revenues and Expenditures", on Page 13. The "Capital outlay" is related to the Cost-share Agreement, referenced in "Note 9", on Page 23, which refers to the Agreement with the County for the Reclaimed Water Distribution System. Since the project was completed during Fiscal Year 2017, the $316,500 owed to the County was accrued at year's end, which was noteworthy.

Mr. Hartness stated that, other than that item, there were no findings or instances of noncompliance in the "Independent Auditor's Report On Internal Control Over Financial Reporting and on Compliance and Other Matters", on Pages 25 and 26, the "Management Letter", on Pages 27 and 28 or the "Independent Accountant's Report" on Page 29.

******Mr. Russell left the meeting at 2:10******

FOURTH ORDER OF BUSINESS **Consideration of Resolution 2018-02, Accepting the Audited Financial Statements for the Fiscal Year Ended September 30, 2017**

Mr. Adams presented Resolution 2018-02.

On MOTION by Mr. Cutshall and seconded by Mr. Goulette, with all in favor, Resolution 2018-02, Accepting the Audited Financial Statements for the Fiscal Year Ended September 30, 2017, was adopted.

FIFTH ORDER OF BUSINESS **Consideration of Resolution 2018-03, Approving Proposed Budgets for Fiscal Year 2018/2019 and Setting a Public Hearing Thereon Pursuant To Florida Law; Addressing Transmittal, Posting and Publication Requirements; Addressing Severability; and Providing an Effective Date**

Mr. Adams presented Resolution 2018-03. A Board Member asked why the "Trustee" line item increased by $1,700. Mr. Adams stated that it was an oversight. The following change was made:

Page 1, "Trustee" line item: Change $4,771 to $3,000

Mr. Adams responded to questions regarding the following:

- "Street lighting": The estimated $30,000 was sufficient to cover new lighting and the existing lighting.
- "Retention pond mowing/weed control/irrigation": The irrigation component would be removed and an irrigation/water line item would be added under it.
- "Contingency": It was decreased from $2,500 to $1,000, based on the current year number.
- "Aquatic weed control": There would not be a change.
- "Dry retention pond refurbishment/planting: It will include all the plantings; mulch application is handled separately.

Mr. Goulette stated that he previously questioned why weeds grew up through the mulch in the past month, which was not included in the minutes; he wanted to make sure that Down to Earth (DTE) weeded the plant beds before applying mulch. Discussion ensued regarding the Invitational, spraying weeds, a weed barrier and herbicide treatments. Mr. Adams stated that a planning/coordination issue prevented the landscaper from spraying the weeds before the mulch was blown in, which was captured on Lines 178 to 181 of the minutes. Mr. Nelson stated that Paleo Park was another area of concern and discussed invasive trees in the park and hazards trimming invasives; he requested a budget for maintenance of Paleo Park. Mr. Adams assured him that the Assignment Agreement, which includes all three parties, would contain an Addendum to include Paleo Park. The goal was to keep assessments slightly below the Fiscal Year 2018 assessment.

On Motion by Mr. Nelson and seconded by Mr. Walsh, with all in favor, Resolution 2018-03, Approving Proposed Budgets for Fiscal Year 2018/2019, as amended, and Setting a Public Hearing Thereon Pursuant To Florida Law for September 11, 2018 at 2:00 p.m., at this location; Addressing Transmittal, Posting and Publication Requirements; Addressing Severability; and Providing an Effective Date, was adopted.

DRAFT

SIXTH ORDER OF BUSINESS **Discussion/Consideration: Heritage Pines Community Association Proposed EDRA Maintenance Assignment Agreement**

Mr. Adams presented the Heritage Pines Community Association (HPCA) Proposed EDRA Maintenance Assignment. The Assignment Agreement is between the CDD, the HPCA and the assignee, DTE. The current Agreement has a few more documents attached, including legal references. This arrangement was essentially the same as the Maintenance Agreement with the HPCA, with an Addendum that will include maintenance of Paleo Park, at the same level of service as all areas, in terms of timing of mowing, mulching, weeding and irrigation maintenance. The Board must decide on the terms, such as keeping the current five-year auto renewal or opting for a year-to-year arrangement. In response to a question, Mr. Adams recommended sending a notice of termination to the HPCA, which could be back-dated to DTE's start date of May 1, 2018. There is no bid requirement and the primary term is that it will be at cost to DTE, who will send a monthly invoice to the District and provide backup. Mr. Goulette hoped that DTE would abide by the Contract. In response to Mr. Adams' question, Mr. Jeremy Martin, of DTE, stated that he would facilitate the Agreement with Management; he understood the terms of the Agreement and that backup must be provided. Mr. Goulette complained that DTE is using one of the District's mowers in other places and asked for cleaner invoices. Mr. Adams stated that the mower is a publicly-owned asset and, if District-owned mowers were being used to maintain any private property, it must stop.

SEVENTH ORDER OF BUSINESS **Update: Lighting Project**

Mr. Cutshall provided the following update:

- Six new lights were activated on Webster Grove, between Bent Pine and Grand Club and _____.
- Three new lights were activated on Grand Club by the Circle and near the four-way stop sign.
- He and Mr. Nelson attended a meeting with WREC to discuss the lighting project.
- There was rampant overpricing in the billing, along with other discrepancies.
- A refund of $2,200 was requested.
- It was still unclear why WREC used backhoes on Webster Grove.

- The goal is to install 16 more lights in Brooklawn, Summer Song, Eagle Bend, Edge Park, Whitaker Circle, Rolling Hill Loop and Water Lilly.
- The light by the golf course was eliminated and some lighting projects are being streamlined.
- A final price was requested prior to proceeding; however, WREC may try to circumvent Mr. Cutshall and forward the invoice directly to Management**.**
- WREC asked about less infrastructure between the sidewalk and the street, on the other side of the sidewalk, due to irrigation pipes, as there may be a lot less.
- All the different sites would be flagged so the Board could decide the best path.
- Mr. Cutshall was disinclined to proceed with directional boring right now.
- Dealing with WREC has been frustrating and challenging
- A final number from WREC, before deciding whether to proceed, was pending.

As to whether Management was aware of the issues with the contractor, Mr. Adams was copied on several emails between Mr. Cutshall and the rep and knew that progress was slow. With regard to when the project will be completed, Mr. Cutshall doubted that it would be completed by the end of November; it is unfortunate that WREC is the only contractor in town but the lights are needed. Mr. Cutshall stated that the Scenic Hills community declined new lighting, which was surprising because of snapper toads and rattlesnakes sightings. He hoped that there was very little infrastructure underground, in the southern areas, between the sidewalk and the street. Mr. Ansley stated it probably has small lines running along the street that are not very deep; survey stakes are not where the lights will be installed. Mr. Nelson and Mr. Cutshall will decide where best to install the lights. Mr. Cutshall will press for firm prices for the July meeting.

EIGHTH ORDER OF BUSINESS **Discussion: Review of Retention Areas**

Mr. Walsh presented the April 2018 Retention Area Review and highlighted the following:

- Mr. Walsh and Mr. Goulette evaluated the retention areas in April.
- Most retention areas away from the golf course were sparse and poorly-maintained.
- In many areas, the water inlets were not weed-whacked and some places had chest-high weeds.
- He wondered how the weed debris would be discarded once trimmed.

DRAFT

- The drainage grate, at EDRA 51a, which measured at 40" x 51," required replacement.
- The banks are barren in a number of areas, due to poor or no irrigation.

The Board and Staff discussed the EDRA issues, flower beds, weeds, general maintenance, drain pipes and lack of irrigation. Mr. Ansley was asked to research irrigation costs and report his findings at the next meeting. Mr. ____ was asked to monitor the maintenance work and decide if DTE is doing a good job of correcting problems. Mr. ____ would perform an evaluation within the next month.

Mr. Walsh listed the following action items:

- A schedule of when the flower beds will be completed.
- Time frame of when the Brazilian peppertrees will be maintained.
- The brush needs to be cut back on #6, behind the berm.
- A schedule of when the area in front of the #18 t-box will be trimmed; it should be maintained at 4" and goes as far as the wet areas.

The EDRAs will be reviewed and discussed further at the next meeting. Mr. Martin requested clarification of how the Brazilian peppertrees should be maintained. Mr. Walsh stated that the focus should primarily be the peppertrees and plants, mainly in the EDRA area behind the Green on #16, in the wet retention area and in another area behind the overflow in the retention area near #6. The plants are growing towards the bank and need to be trimmed back. Brazilian peppertrees should be removed or trimmed back. In response to Mr. Martin's question, Mr. Adams confirmed that DTE was responsible for maintaining the #16 and #17 areas to the water's edge and anything within the water would be lake maintenance.

ELEVENTH ORDER OF BUSINESS **Assignment of Duties: Board Member Reports**

A. Golf Course Surrounding Areas: ***Supervisor Goulette (West), Supervisor Walsh (East)***

Mr. Goulette stated that the Paleo Park fence, on Hole #9, should be replaced. Mr. Walsh stated that Paleo Park is one of the top five archeological sites in Florida. The area between the golf course and Paleo Park had dead grass from the winter and core grass was recently added, which contained numerous weeds. Mr. Walsh asked if the core grass would protect Paleo Park from water running across the fairway and into it. Mr. Goulette believed that Mr. Crusselle purchased sod and the grass should be removed and the area sodded. In response to Mr. Goulette's question regarding replacing the fence on the golf course side, Mr. Crusselle would inspect the fence. Discussion ensued regarding repairing or replacing the fence, replacement options, cost, maintenance and the retention areas. Mr. Goulette called attention to the installation costs of reclaimed water meters in EDRA #36, Villas 13, Regal Pines and Grand Pines and asked if two of the meters were off. Mr. Crusselle confirmed that the meters were turned off and should soon be reactivated. Mr. Goulette directed Mr. Crusselle to e-mail residents advising them to refrain from discarding dog waste in the curb inlets and discussed the drains, flooding, the ponds, the culverts and the aquifer. A Board Member noted a lot of erosion near Hole #5, on the left hand side of the fairway, that needs to be addressed. As to the final decision regarding the Paleo Park fence, the Board consensus was to install a 200' split-rail fence across the pond on Clear Creek Court and leave the existing cyclone fence. Mr. Goulette would obtain an estimate from a fence company.
